

# Economy

The economy in VioletsMC is very unique. Being non-pay2win the economy system we have implemented gives a chance for any player to be on top of the leader boards!

---

## In-Game Shop

The server utilizes an in-game shop that is customized to not allow inflation and deflation of certain items to keep the economy stable. You can view the in-game shop by doing `/shop`. Our in-game shop is also designed to allow some items to only be obtained by purchasing from other players to enhance our `/warp playershop` server addition. You can read more about the playershop on the next page.

## Best Items to sell

In our economy, there are many things players sell to earn money! **Some popular items include netherwart, cookies, and pumpkin pie, these can be placed in chests to sell with Sell Wands.** These sell wands can be obtained from the Vote crate, buying from other players at playershops, or through the VioletsMC store.
