

Playershops

Ever wanted to own your own store and sell items to other players? Well, now you can! Visiting playershops by using `/warp playershops` takes you to a world full of different stores! In this area, you're more than welcomed to buy items from other players or set up your own little shop to sell things to others!

How do I get my own shop?

First, you find a vacant plot and rent out a space! Players are able to rent their area on a weekly basis using in-game currency! Clicking the sign, you can choose the amount of weeks you buy, maximum being 28 days! Once you've rented out an area, you may build to your hearts content! Now the shop is all yours, so decorate it as you see fit!

Step-by-step guide on how to set up a chest shop:

1. Place a chest
2. Hold the item you wish to sell and punch or left-click the chest with it
3. Type in chat the amount you want to sell it for. Example: 10
4. A sign with your name and the price will appear in front of the chest; this means you have set up your shop successfully!
5. Fill up the chest with the item, and you are done!

How do I buy things from other playershops?

Once you've found something you deem worthy of buying, simply left-click the sign placed on the chest. Information regarding the item will pop up on the left side of your screen. With the information given, you are able to see a preview of the item, how much the item is, as well as how much of it is in stock!

To finalize the purchase, simply type how much you want to buy, and that should be it! The item should immediately appear in your inventory.
